

WILDLIFE CONSERVATION AND NATIONAL PARKS ACT
(Cap. 38:01)

WILDLIFE CONSERVATION AND NATIONAL PARKS (HUNTING AND
LICENSING) (AMENDMENT) REGULATIONS, 2008
(Published on 13th June, 2008)

ARRANGEMENT OF REGULATIONS

REGULATION

1. Citation
2. Amendment of Regulation 2 of Cap. 38:01 (Sub. Leg.)
3. Amendment of Regulation 39 of Cap. 38:01 (Sub. Leg.)

IN EXERCISE of the powers conferred by section 92 of the Wildlife Conservation and National Parks Act, the following regulations are here made —

- | | |
|---|---|
| <p>1. These Regulations may be cited as the Wildlife Conservation and National Parks (Hunting and Licensing) (Amendment) Regulations, 2008.</p> | Citation |
| <p>2. The Wildlife Conservation and National Parks (Hunting and Licensing) Regulations are amended in Regulation 2 by inserting immediately after the word “holder” that appears therein the following new interpretation —
“problem animal” is any wildlife species in Botswana which has caused damage to property, or loss of human life or threatens to cause same.</p> | Amendment of regulation 2 of Cap. 38:01 (Sub. Leg.) |
| <p>3. The Wildlife Conservation and National Parks (Hunting and Licensing) Regulations are amended by substituting for regulation 39, the following new regulation —</p> <p>“39 (1) An elephant tusk obtained from activities such as hunting, culling, confiscation, natural mortality or any other cause in any area in Botswana weighing 11kg or less shall be prescribed a Government trophy and a licensing officer shall not register and return such tusk to the person who produced it.</p> <p>(2) A person who discovers an elephant tusk referred to in subregulation (1) shall present it to the licensing officer to mark it with a temporary ivory registration label provided the weight of the elephant tusk is not 11kg or less, with exception of tusks obtained from an elephant hunted as a problem animal.</p> <p>(3) The temporary ivory registration label shall be in the form set out in the Thirty Seventh Schedule.</p> <p>(4) A person who discovers an elephant tusk or any part thereof shall deliver it to the nearest DWNP district office within seven days of that discovery.</p> <p>(5) An elephant tusk or any part thereof shall have the temporary registration label removed within 24 hours of its delivery, marked with an indelible ink or punch dyes with a code number at the lip mark of the elephant tusk consisting of the country ISO code “BW” followed by the station code of the District Office where the elephant tusk or part thereof was found, the serial number, year and weight.</p> | Amendment of regulation 39 of Cap. 38:01 (Sub. Leg.)
Discovery and transport of elephant tusks |

- (6) An ivory registration certificate in the form set out in the Thirty Eighth Schedule shall be completed and affixed to the elephant tusk or any part thereof on top of the code number and the temporary ivory registration label shall be filed at the DWNP district office.
- (7) The particulars of the ivory registration certificate shall be entered into the DWNP district office in the form set out in the Thirty Ninth Schedule”.”

MADE this 5th day of June, 2008.

KITSO MOKAILA,
*Minister of Environment, Wildlife and
Tourism.*
