ENGLISH READING TEST

Read the letter below and answer the question that follows.

P O Box 20
Bodigelo

19 July 2013

Dear Tumi

Hello Tumi! I am fine. Have you heard that our good friend Tebogo got divorced in February last year? Do you remember that she used to be so close with Thabo when we were at school and they got married immediately after completion? Do you know that Thabo's friend Patrick is the one who contributed to their separation? Tebogo immediately went and married a pastor from Zambia. That marriage lasted for only one year. Tebogo is now very unhappy! This is a serious problem that affects families and the society. I am thinking of visiting her during the coming holiday. Please let me know if you will be able to join me.

Your friend

Tsholo
