North-East

The area known as the Tati District and the Gungwe State Lands and of which the boundary runs from the junction of the Ramokgwebana River with the Shashe River along the Ramokgwebana River to its source; thence by the watershed of the rivers Shashe and Ramokgwebana until that watershed strikes the old Hunter's Road (called the Pandamatenga Road); thence by that road to the place where it first crosses the Shashe River; thence along that river to its junction with the Ramokgwebana River:

Provided, however, that there shall be excluded from the said area the area of Francistown the boundaries of which are as hereunder described.

Central

The area known as the Central District namely the area of which the boundary commences from a beacon Commencing at Point A, (*beacon C of Diagram SG 4763/1947*) approximate coordinates (Y+37384.4Cft, X-33996.9Cft);, being the intersection of Farm Sherwood 2-MQ boundary and the Botswana-South Africa International boundary, a point on the Mahalapye District boundary, the boundary runs north westwards along the said District boundary to its intersect with the Kweneng District boundary at Point B, (*beacon D of DSM 3994/17*) approximate coordinates (Y+98826.25m, X+2609308.32m); thence north westwards along the said District boundary to its intersection with Boteti District boundary at Point C, (*beacon of Diagram DSM3361/17*) approximate coordinates (Y+205386.38m, X+2480169.67m); thence generally north eastwards along the said District boundary to its intersection with Tutume District boundary at Point D, (*beacon A of DSM 247/22*) approximate coordinates (Y+51052.35m, X+2320162.29m); thence generally eastwards along the said District boundary to its intersection with North East District a boundary at Point E, (*beacon B of DSM 3874/17*) approximate coordinates (Y-31817.43m, X+2314930.99m); thence southwards along the said District boundary to its intersection with the Botswana-Zimbabwe International boundary at Point F, (*beacon of Diagram DSM 3981/17*) approximate coordinates (Y-104883.91m, X+2386169.26m); thence eastwards along the said International boundary to its intersection with the Botswana-South Africa International boundary at Point G, approximate coordinates (Lat: 22° 11' 38.26" S, LON: 29° 22' 40.91" E), being the confluence of the Shashe and Limpopo Rivers; thence south westwards along the Botswana-South Africa International boundary to the point of commencement.

Boteti

The area known as the Boteti District namely the area of which the boundary commences from a beacon commencing at Point A, (*beacon R of Diagram DSM 3361/19*) approximate coordinates (Y+205386.38m, X+2480169.67m), being south corner of Kaka Ranches, a point on the Ghanzi District boundary; the boundary runs generally north westwards along the said District boundary to its intersect with the North West District boundary at Point B, (*beacon P of Diagram DSM 3883/17*) approximate coordinates (Y+115956.22m, X+2323208.08m); thence northwards along the said District boundary to its intersection with Tutume District boundary at Point C, (*beacon G of Diagram DSM 3911/17*) approximate coordinates (Y-18747.07m, X+2250767.75m), being the south west corner of Gweta Cadastral Area boundary; thence generally south eastwards along the southern boundary of Tutume District to its intersection with Mmeyer Matsitama Cadastral Area boundary at Point D, (*beacon A of Diagram DSM 247/22*) approximate coordinates (Y+51052.35m, X+2320162.29m); thence south westwards along the said Cadastral Area boundary to its intersection with Mokubilo Cadastral Area boundary at Point E, (*beacon D of Diagram DSM 247/22*) approximate coordinates (Y+67363.53m, X+2339806.28m); thence generally south eastwards along the said Cadastral Area boundary to its intersection with the boundary of Mnashoro Cadastral Area at Point F, (*beacon E of Diagram DSM 249/22*) approximate coordinates (Y-52400.10m, X+2362696.69m); thence generally south westwards along the said Cadastral Area boundary to its intersection with Malatswai Cadastral Area boundary at Point G, (*beacon A of Diagram DSM 250/22*) approximate coordinates (Y+110548.21m, X+2405146.66m); thence south westwards along the boundary of the said Cadastral Area to its intersection with the Malatswai/Western Sandveld Cadastral Area boundary at Point H, (*beacon J of Diagram DSM 250/22*) approximate coordinates (Y+113513.62m, X+2408591.77m); thence south westwards along the boundary of Western Sandveld Ranches to the point of commencement.

Mahalapye

The area known as the Mahalapye District namely the area of which the boundary commences from a beacon commencing at Point A, (*beacon A of Diagram DSM 3144/17*) approximate coordinates (Y+3891.98m, X+2626929.17m), being the intersection of Kgatleng District boundary and the Botswana-South Africa International boundary, a point on the confluence of Notwane and Limpopo rivers, the boundary runs southwards along the said District boundary to its intersection with the Kweneng District boundary at Point B, (*beacon D of Diagram DSM 3994/17*) approximate coordinates (Y+98826.25m, X+2609308.32m); thence north westwards along the said District boundary to its intersection with Western Sandveld Ranches at Point C, (*beacon F of Diagram DSM 3996/17*) approximate coordinates (Y+128235.57m, X+2580316.18m); thence generally north eastwards along the southern boundary of Western Sandveld Ranches to its intersection with Mosolotshane Cadastral Area boundary at Point D, (*beacon J of Diagram DSM 4003/17*) approximate coordinates (Y+89875.08m, X+2523714.49m); thence generally eastwards along the said Cadastral Area boundary to its intersection with Kalamare Cadastral Area boundary at Point E, (*beacon N of Diagram DSM 3995/17*) approximate coordinates (Y+47341.00m, X+2518862.76m); thence eastwards along the said Kalamare Cadastral Area boundary to its intersection with the boundary of Mahalapye Cadastral Area at Point F, (*beacon A of Diagram DSM 3885/17*) approximate coordinates (Y+27890.90m, X+2524271.12m); thence eastwards along the northern boundary of the said Cadastral Area to its intersection with Tewane Cadastral Area boundary at Point G, (*beacon Q of Diagram DSM 3839/17*) approximate coordinates (Y+15197.29m, X+2526693.36m); thence south eastwards along the said Cadastral Area boundary to its intersection with Pilikwe Cadastral Area boundary at Point H, (*beacon H of Diagram DSM 3839/17*) approximate coordinates (Y+4042.40m, X+2529382.66m); thence north eastwards along the said Cadastral boundary to its intersection with Mhalapitsa Cadastral Area boundary at Point J, (*beacon C of Diagram DSM 4111/17*) approximate coordinates (Y-20675.37m, X+2512336.75m); thence south eastwards along the boundary of the said Cadastral Area to its intersection with the boundary of Maape Cadastral Area at Point K, (*beacon B of Diagram DSM 4116/17*) approximate coordinates (Y-30028.86m, X+2516276.64m); thence south eastwards along the boundary of the said Cadastral Area to its intersection with Ramokgonami Cadastral Area boundary at Point L, (*beacon B of Diagram DSM 4114/17*) approximate coordinates (Y-35408.89m, X+2518191.38m); thence south eastwards along the said Cadastral Area boundary to its intersection with Seleka Cadastral Area boundary at Point M, (*beacon B of Diagram DSM 4108/17*) approximate coordinates (Y-49583.97m, X+2521732.95m); thence south eastwards along the said Cadastral Area boundary to its intersection boundary of Farm Sherwood 2-MQ at Point N, (*beacon B of Diagram DSM 248/22*) approximate coordinates (Y-86388.09m, X+2532916.57m), being the junction of Ngwapa and Lerala-Martins drift road; thence south westwards along the said Farm boundary to its intersection with the Botswana-South Africa International boundary at Point P, (*beacon C of Diagram SG 4763/1947*) approximate coordinates (Y+37384.4Cft, X-33996.9Cft); thence generally southwards along the said International boundary to the point of commencement.

Tutume

The area known as the Tutume District namely the area of which the boundary commences from a beacon commencing at Point A, (*beacon G of Diagram DSM 3911/17*) approximate coordinates (Y-18747.07m, X+2250767.75m), being the intersection of south west corner of Gweta Cadastral Area boundary and North West District boundary; the boundary runs generally northwards along the said District boundary to its intersect with the Chobe District boundary at Point B, (*beacon A of Diagram DSM 3122/19*) approximate coordinates (Y-446.38m, X+2102192.51m); thence eastwards along the said District boundary to its intersection with the Botswana-Zimbabwe International boundary at Point C, (*beacon C of Diagram DSM 3122/19*) approximate coordinates (Y-90034.90m, 2717976.14m); thence generally south eastwards along the said International boundary to its intersection with the North East District boundary at Point D, (*beacon D of Diagram DSM 2846/22*) approximate coordinates (Y-30136.76m, X+2267356.59m); thence southwards along the said District boundary to its intersection with Marobela/Mathangwane Cadastral Area boundary at Point E, (*beacon B of Diagram DSM 3874/17*) approximate coordinates (Y-31817.43m, X+2314930.99m); thence generally north westwards along the said Mathangwane Cadastral Area boundary to its intersection with the boundary of Makobo Cadastral Area at Point F, (*beacon D of Diagram DSM 3974/17*) approximate coordinates (Y-21830.51m, X+2323780.08m); thence westwards along the northern boundary of the said Cadastral Area to its intersection with Jamataka Cadastral Area boundary at Point G, (*beacon B of Diagram DSM 5502/21*) approximate coordinates (Y-11998.48m, X+2321469.22m); thence westwards along the said Cadastral Area boundary to its intersection with Marapong Cadastral Area boundary at Point H, (*beacon E of Diagram DSM 882/22*) approximate coordinates (Y-1467.34m, X+2320495.40m); thence westwards along the said Cadastral Area boundary to its intersection with Lepashe Cadastral Area boundary at Point J, (*beacon F of Diagram DSM 882/22*) approximate coordinates (Y+17863.59m, X+2320598.71m); thence south westwards along the boundary of the said Cadastral Area to its intersection with the boundary of Nata Cadastral Area at Point K, (*beacon K of Diagram DSM 3910/17*) approximate coordinates (Y+74911.67m, X+2316829.07m); thence north westwards along the boundary of the said Cadastral Area to its intersection with Zoroga Cadastral Area boundary at Point L, (*beacon E of Diagram DSM 2375/19*) approximate coordinates (Y-87431.22m, X+2242546.02m); thence generally north westwards along the said Cadastral Area boundary to its intersection with Gweta Cadastral Area boundary at Point M, (*beacon D of Diagram DSM 2375/19*) approximate coordinates (Y-91357.70m, X+2242546.02m); thence westwards along the southern boundary of the said Cadastral Area to the point of commencement.

Kgatleng

The Bakgatla Tribal Territory namely the area of which the boundary commences at a beacon on Dikokong or Wildebeeste Kop, being one of the beacons defining the boundary of the Transvaal and runs in a north-westerly direction to a beacon on Maripe or Modipe Hill, thence to Oodi Hill; thence to the junction of the Kopong and Metsemothaba Rivers; thence up the Kopong River to its head-water or source near the base of Kopong Hill; thence to the summit of the said hill; thence to a point on the Kopi Spruit five hundred yards south of the existing water pits; thence down to the Kopi Spruit to a point due east of Kopi Hill, thence to Kopi Hill; thence to Ramaselwane Hill; thence eastward along the boundary of the Bamangwato Tribal Territory to Lokkalos; thence down the Notwane River to its junction with the Crocodile River; thence along the boundary of the Transvaal to the aforesaid beacon on Dikokong or Wildebeeste Kop.

Kweneng

The area known as the Kweneng District namely the area of which the boundary commences from a beacon commencing at Point A, (*being beacon A of Diagram DSM 227/22*) approximate coordinates (Y-45845.11m, X+2538478.05m), a point on Central District boundary, the boundary runs generally south eastwards along the said District boundary to its intersect with the Kgatleng District boundary at Point B, (*being beacon B of Diagram DSM 236/22*) approximate coordinates (Y-105409.13m, X+2608983.94m); thence generally southwards along the said District boundary to its intersection with Gaborone Administrative District boundary at Point C, approximate coordinates (Y-95072.21m, 2707696.54m); thence south westwards along the said boundary to its intersection with the Mmatseta Cadastral Area boundary at Point D, (*being beacon C of Diagram DSM 221/22*) approximate coordinates (Y-87289.46m, X+2714606.69m); thence generally southwards along the said Cadastral Area boundary to its intersection with Metsimotlhabe Cadastral Area boundary at Point E, (*being beacon C of Diagram DSM 220/22*) approximate coordinates (Y-82006.87m, X+2714595.43m), a point on Gakutlo Cadastral Area boundary; thence south westwards along the Metsimotlhabe Cadastral Area boundary to its intersection with Gakgalla Cadastral Area boundary at Point F, (*being beacon D of Diagram DSM 245/22*) approximate coordinates (Y-75214.00m, X+2714411.12m); thence southwards along the said Cadastral Area boundary to its intersection with Losilakgokong Cadastral Area boundary at Point G, (*being beacon A of Diagram DSM 245/22*) approximate coordinates (Y-53476.47m, X+2715655.40m); thence generally south westwards along the boundary of the said Cadastral Area to its intersection with the Kotolaname Cadastral Area boundary at Point H, (*being beacon D of Diagram DSM 209/22*) approximate coordinates (Y-27620.84m, X+2717378.98m), being a point on Kubung Cadastral Area boundary; thence north westwards along the Kotolaname Cadastral Area boundary to its intersection with Monwane Cadastral Area boundary at Point J, (*being beacon A of Diagram DSM 210/22*) approximate coordinates (Y-12730.92m, X+2697925.89m), a point on Moshaweng/Monwane Cadastral Area boundary; thence generally eastwards along Monwane Cadastral Area boundary to its intersection with Mmantshwabisi Cadastral Area boundary at Point K, (*being beacon E of Diagram DSM 234/22*) approximate coordinates (Y-28365.74m, X+2682816.34m), a point on Molepolole/Monwane Cadastral Area boundary; thence north eastwards along Mmantshwabisi Cadastral Area boundary to its intersection with Botlhapatlou Cadastral Area boundary at Point L, (*being beacon B of Diagram DSM 234/22*) approximate coordinates (Y-36880.07m, X+2676388.35m); thence generally northwards along the said Cadastral Area boundary to its intersection with Ngware Cadastral Area boundary at Point M, (*being beacon A of Diagram DSM 176222*) approximate coordinates (Y-52299.66m, X+2628791.95m), being a point on Botlhapatlou/Boaitlaname Cadastral Area boundary; thence northwards along the boundary of Ngware Cadastral Area to its intersection with Ghanzi District boundary at Point N, (*being beacon J of Diagram DSM 227/22*) approximate coordinates (Y-24660.37m, X+2579708.75m); thence north eastwards along the said District boundary to point of commencement.

- Letlhakeng** The area known as the Letlhakeng District namely the area of which the boundary commences from a beacon commencing at Point A, (*being beacon J of Diagram DSM 227/22*) approximate coordinates (Y-24660.37m, X+2579708.75m), being the intersection of Looloane/Ngware Cadastral Area boundary with Ghanzi District boundary, a point on Kweneng District boundary, the boundary runs generally southwards along the western boundary of Kweneng District to its intersection with Mogoditshane-Thamaga District boundary at Point B, (*being beacon A of Diagram DSM 195/22*) approximate coordinates (Y-21223.73m, X+2715278.06m); thence southwards along the said Mogoditshane-Thamaga District boundary to its intersection with Southern District boundary at Point C, (*being beacon F of Diagram DSM 195/22*) approximate coordinates (Y-17670.82m, X+2722220.90m); thence north westwards along the said District boundary to its intersection with Kgalagadi District boundary at Point D, (*being beacon A of Diagram DSM 3431/17*) approximate coordinates (Y-5963.44m, X+2655928.52m); thence northwards along the said District boundary to its intersection with Ghanzi District boundary at Point E, (*being beacon A of Diagram DSM 3321/17*) approximate coordinates (Y-6035.43m, X+2579868.94m); thence eastwards along the said District boundary to point of commencement.
- Mogoditshane-Thamaga** The area known as the Mogoditshane-Thamaga District namely the area of which the boundary commences from a beacon commencing at Point A, (*being beacon C of Diagram DSM 221/22*) approximate coordinates (Y-87289.46m, X+2714606.69m), being the intersection of Mmatseta Cadastral Area boundary with Gaborone Administrative District boundary, the boundary runs generally south westwards along the said District boundary to Point B, (*being beacon C of Diagram DSM 2427/22*) approximate coordinates (Y-86198.86m, X+2728308.78m), being a point on South East District boundary; thence generally southwards along the said District boundary to its intersection with Southern District boundary at Point C, (*being beacon H of Diagram DSM 198/22*) approximate coordinates (Y-72408.22m, X+2742385.34m); thence north westwards along the said boundary to its intersection with Moshaweng/Kubung Cadastral Area at Point D, (*being beacon F of Diagram DSM 195/22*) approximate coordinates (Y-17670.82m, X+2722220.90m); thence northwards along the said Cadastral Area boundary to its intersection with Kweneng District boundary at Point E, (*being beacon A of Diagram DSM 195/22*) approximate coordinates (Y-21223.73m, X+2715278.06m); thence generally eastwards along the said District boundary to point of commencement.

Southern

(1) The area known as the Southern District namely the area of which the boundary commences from a beacon commencing at Point A, (*beacon A of Diagram DSM 3488/17*) approximate coordinates (Y-57533.77m, X+2794737.62m), being the intersection of South East District boundary and Gopong/Molapowabojang Cadastral Area boundary, a point on Goodhope District boundary, the boundary runs generally westwards along the said District boundary to its intersect with the Kgalagadi District boundary at Point B, (*beacon D of Diagram DSM 3407/17*) approximate coordinates (Y+75423.47m, X+811161.219m), being the south west corner of Lorolwane Cadastral Area boundary; thence generally northwards along the said District boundary to its intersection with Kweneng District boundary at Point C, (*beacon A of Diagram DSM 3431/17*) approximate coordinates (Y-5963.44m, X+2655928.52m), being a point on the boundary of the Bakwena/Bangwaketse Tribal Territories; thence south eastwards along the said Tribal boundary to its intersection with the South East District boundary at Point D, (*beacon B of DSM 3509/17*) approximate coordinates (Y-72405.26m, X+2742386.13m); thence generally southwards along the said District boundary to the point of commencement.

(2) The area known as Lobatse Township, the area of which the boundary is described in the Declaration of Township Order, (S.I. No. 76 of 2006).

Goodhope

The area known as the Goodhope District namely the area of which the boundary commences from a beacon commencing at Point A, (*beacon C of Diagram DSM 3362/17*) approximate coordinates (Y-66735.54m, X+2818054.48m), being the intersection of South East District boundary and the Botswana-South Africa International boundary; the boundary runs generally south westwards along the said International boundary to its intersect with the Kgalagadi District boundary at Point B, (*beacon D of Diagram DSM 3409/17*) approximate coordinates (Y-151274.28m, X+2850954m), being the south west corner of Mabule Cadastral Area boundary; thence generally northwards along the said District boundary to its intersection with Sekhutlane/Lorolwane Cadastral Area boundary at Point C, (*beacon D of Diagram DSM 3407/17*) approximate coordinates (Y+75423.47m, X+2811161.21m), being a point on the northern boundary of Sekhutlane Cadastral Area boundary; thence eastwards along the said boundary to its intersection with Metlobo Cadastral Area boundary at Point D, (*beacon F of Diagram DSM 3489/17*) approximate coordinates (Y+26301.87m, X+2806592.00m); thence north eastwards along the northern boundary of the said Cadastral Area to its intersection with Mmathethe Cadastral Area boundary at Point E, (*beacon B of Diagram DSM 3489/17*) approximate coordinates (Y-10519.16m, X+2798197.01m); thence generally north eastwards along the said Cadastral Area boundary to its intersection with the boundary of Mogojojojo Cadastral Area at Point F, (*beacon M of Diagram DSM 3490/17*) approximate coordinates (Y-41164.11m, X+2795276.35m); thence north eastwards along the northern boundary of the said Cadastral Area to its intersection with Lorwana Cadastral Area boundary at Point G, (*beacon A of Diagram DSM 3416/17*) approximate coordinates (Y-53730.52m, X+2794090.96m); thence eastwards along the boundary of the said Cadastral Area to its intersection with the boundary of Gopong Cadastral Area at Point H, (*beacon B of Diagram DSM 3416/17*) approximate coordinates (Y-55881.45m, X+2795173.81m); thence eastwards along the northern boundary of the said Cadastral Area to its intersection with South East District boundary at Point J, (*beacon A of Diagram DSM 3488/17*) approximate coordinates (Y-57533.77m, X+2794737.62m); thence generally southwards along the said District boundary to the point of commencement.

South East

The boundary commences at the beacon lettered "Z" on Diagram No. 581/1912 of the Farm No. 6-KO and runs in a south-westerly direction through the beacon lettered "Sb" to the beacon lettered "Lbr" on the said Diagram No. 581/1912, which beacon "Lbr" is lettered "B" on Diagram S.G. No. 9/70 of the Farm Forest Hill No. 9-KO; thence continuing in a south-westerly direction through the beacon lettered "A" on the said Diagram S.G. No. 9/70 and lettered "A" on Diagram No. 2A/1907 of the Farm Traquair No. 10-KO; thence continuing south-westwards through the beacons lettered "E" and "D" on the said Diagram No. 2A/1907, which beacon "D" is lettered "E" on Diagram No. 1A/1907 of the Farm Crocodile Pools No. 15-KO; thence continuing south-westwards to the beacon lettered "D" on the said Diagram No. 1A/1907, which beacon is at the junction of the Bamalete, Bangwaketse and Bakwena Tribal Territories and the Gaborone Block; thence in a southerly direction to a beacon approximately half way between the said beacon "D" of Diagram No. 1A/1907 and a beacon on Kike Hill; thence in a south-easterly direction to a beacon on Morolwana Hill; thence in a south-westerly direction to a beacon approximately 3200 metres south-west of Magothwane Hill; thence in an easterly direction to a beacon on the western boundary of the Lobatse Block approximately 1600 metres south of Noga Hill; thence in a southerly direction through the beacons lettered "Dg" and "K3" on Diagram No. 582/1912 of the Farm the Lobatse Block No. 1-JO to the beacon lettered "ad" on the said Diagram No. 582/1912; thence in an easterly direction to the beacon lettered "nu" on the said Diagram No. 582/1912 and lettered "D" on Diagram No. 1390/1920 of the Farm Hildavale No. 33-JO; thence continuing eastwards through the beacon lettered "C" to the beacon lettered "B" on the said Diagram No. 1390/1920, which beacon is the beacon known as "Maclase" on the surveyed international boundary between the Republic of Botswana and the Republic of South Africa as shown on Plan No. BP-113; thence in a north-easterly direction through the international boundary corner beacons known as "Sebatoul" "Skaapkuil South" and "Skaapkuil North" as shown on Plan No. BP-113; thence continuing in a north-easterly direction through the international boundary corner beacons known as "Pitlaganyane" "Patamakola B", and "Tshakutswana", to the beacon known as "Sengoma" as shown on Plan BP-112; thence continuing along the median line of the Notwane River, the said median line being the said international boundary, to the point where the prolongation of the section of the said international boundary between Beacon No. 3 and Beacon No. 2 intersects the said median line of the said Notwane River; thence generally eastwards through the international boundary beacons Nos. 2, 3, 4, 5, 6 and 7 to beacon No. 8 as shown on Plan No. BP-111; thence generally north-eastwards through the beacons on Modipe Hill and Oodi Hill to the point of commencement as will more fully appear on Plan No. BP 129 deposited with the Director of Surveys and Lands, Gaborone;

Provided that from the area so bounded the area of the Gaborone Township Administrative District and the area of Lobatse Township Administrative District shall be excluded.

Ghanzi The area of which the boundary commences at the intersection of latitude 21 degrees south and longitude 21 degrees east being a point on the international boundary between Botswana and Namibia and runs eastwards along latitude 21 degrees south to its intersection with the western boundary of the Central District; thence in a south-easterly direction to Beacon A of Diagram S.G. No. 25/69 of Farm No. 1-LO; thence south-westwards following the boundaries of Farm No. 1-LO to Beacon E of the said Diagram; thence westwards to the north-western corner point of the Kweneng District; thence continuing westwards to the point of intersection of the parallel of latitude which passes through Beacon B of Diagram S.G. No. 26/69 of Farm No. 2-LO with longitude 20 degrees east being a point on the international boundary between Botswana and Namibia; thence northwards along the meridian longitude 20 degrees east to its intersection with latitude 22 degrees south being a point on the international boundary between Botswana and Namibia; thence eastwards along the parallel of latitude 22 degrees south to its intersection with the meridian longitude 21 degrees being a point on the international boundary between Botswana and Namibia; thence northwards along the meridian longitude 21 degrees east to the point of commencement.

North West The boundary commences at the Point A, (*being beacon L of Diagram DSM 3245/17*), approximate coordinates (Y+100.52m, X+2215534.68m), being the intersection of Okavango District boundary and the Botswana-Namibia International boundary, a point on the Xaxa\Tsau cadastral Area boundary, the boundary runs generally eastwards along the said District boundary to its intersect with the Kwando/Linyanti/Chobe river at Point B, approximate coordinates (34 E771200m, N7955000m), being a point on the Botswana- Namibia International Boundary; thence north eastwards along the said International boundary to its intersection with the western boundary of Chobe District boundary at Point C, approximate coordinates (34 E804700m, N7926300m), being a point on NG15/CH3 boundary; thence southwards along the said District boundary to its intersection with the Central District boundary at Point D, (*beacon A of Diagram DSM 3122/19*) approximate coordinates (Y-446.38m, X+2102192.51m); thence southwards along the said boundary to its intersection with the north East corner of Central Kgalagadi Game Reserve at Point E, (*beacon P of Diagram DSM 3883/17*) approximate coordinates (Y+115956.22m, X+2323208.08m), being a point on the Ghanzi District boundary; thence westwards along the said District boundary to its intersection with the Botswana-Namibia International Boundary at Point F, (*being beacon A of Diagram DSM 3187/17*) approximate coordinates (Y+99.59m, X+2322666.83m), being a point on Grootlaagte Cadastral Area; thence northwards along the said International boundary to the point of commencement.

Okavango

The boundary commences at Point A, (*being beacon L of Diagram DSM 3245/17*), approximate coordinates (Y+100.52m, X+2215534.68m), being a point where the Xaxa\Tsau cadastral area boundary intersect the Botswana-Namibia International boundary; the boundary runs generally northwards along the said International boundary to its intersection with NG14/15/16 boundary at Point B, approximate coordinates (34 E771200m, N7955000m); thence generally south westwards along the boundary of NG16 to its intersection with the boundary of NG20/22 at Point C, approximate coordinates (34 E716397m, N7910854m); thence south westwards along the boundary of NG22 to its intersection with the Moremi Game Reserve (NG28) boundary at Point D, approximate coordinates (34 E708600m, N7890400m), being a point on the boundary of NG21; thence westwards along the boundary of said Game Reserve to its intersection with the boundary of NG27A at Point E, approximate coordinates (34 E684100m, N7842600m), being a point on the boundary of NG26/28; thence generally southwards along the boundary of NG26 to its intersection with the boundary of NG27A/29 at Point F, approximate coordinates (34 E692700m, N7832000m); thence south westwards along the boundary of NG29 to its intersection with the Sehitwa Cadastral Area boundary at Point G, (*being beacon J of Diagram DSM 3250/17*), approximate coordinates (Y+37674.62m, X+2205568.51m); thence generally southwards along the said boundary of the Cadastral Area to its intersection with Tsau Cadastral Area boundary at Point H, (*being beacon H of Diagram DSM 3250/17*), approximate coordinates (Y+39882.23m, X+2210757.27m); thence western along the boundary of the said Cadastral Area to the point of commencement.

Hukuntsi

The boundary commences at Point A, (*being beacon A of Diagram DSM 3304/17*) approximate coordinates (Y+101821.65m, X+2665493.25m), being a point where the Kgalagadi Trans-Frontier Park intersect the Botswana-Namibia International boundary; the boundary runs generally northwards along the said International boundary to its intersection with the Ghanzi District boundary at Point B, (*being beacon F of Diagram DSM 3327/17*) approximate coordinates (Y+102373.84m, X+2580167.56m); thence eastwards along the said District boundary to its intersection with the Kweneng District boundary at Point C, (*being beacon A of Diagram DSM 3321/17*) approximate coordinates (Y-6035.43m, X+2579868.94m); thence southwards along the said District boundary to its intersection with the Southern District boundary at Point D, (*being beacon D of Diagram DSM 3316/17*) approximate coordinates (Y-6005.83m, X+2655634.40m); thence southwards along the said District boundary to its intersection with Makopong Cadastral Area boundary at Point E, (*being beacon A of Diagram DSM 3329/17*) approximate coordinates (Y-5967.60m, X+2748237.22m), a point on the boundary of KD12; thence generally westwards along the southern boundary of KD12 to its intersection with Kgalagadi Trans-Frontier Park boundary at Point F, approximate coordinates (Lat: 24° 57' 20.37" S, LON: 22° 09' 23.07" E); thence generally north westwards along the said Park boundary to the point of commencement.

Tsabong

The boundary commences at Point A, (*being beacon A of Diagram DSM 3304/17*) approximate coordinates (Y+101821.65m, X+2665493.25m), being a point where the Hukuntsi District boundary intersect the Botswana-Namibia International boundary; the boundary runs generally south eastwards along the said District boundary to its intersection with the Southern District boundary at Point B, (*being beacon A of Diagram DSM 3329/17*) approximate coordinates (Y-5967.60m, X+2748237.22m); thence eastwards along the said District boundary to its intersection with the Botswana-South Africa International boundary at Point C, (*being beacon D of Diagram DSM 3409/17*) approximate coordinates (Y+151274.28m, X+2850954.86m); thence generally south westwards along the said International boundary to its intersection with the Botswana-Namibia International boundary at Point D, (*being beacon H of Diagram DSM 3304/17*) approximate coordinates (Y+101156.12m, X+2740139.25m); thence northwards along the Botswana-Namibia International boundary to the point of commencement.

Gaborone
Township

The boundary of the Township/Administrative District commences at the beacon "A" of lot 5384 Gaborone (formerly the Farm Broadhurst No. 5-KO) as shown on Diagram No. 619/1916, then runs south-eastwards through the beacon "B" of the said Diagram No. 619/1916 to a point in the middle of the Notwane River lettered "B" on the said Diagram No. 619/1916; thence generally south-westwards following the median line of the said Notwane River to a point lettered "a" on Diagram S.G. No. 6/65 of Portion 1 of the Farm Keatholme No. 13-KO; thence following the boundary of the said Portion 1 of the Farm Keatholme No. 13-KO through the beacons "A", "B", "C", "D", "E" and "F" as shown on the said Diagram S.G. No. 6/65; thence following the boundary of Portion 1 of the Farm Worribee No. 12-KO through the beacons "B", "C", "D", "E" and "F" as shown on Diagram S.G. No. 5/65; thence following the boundaries of Portion 1 of the Farm Athol Holme No. 11-KO through the beacons "B", "C", "D", "E", "F", "G", "H", "J", "K", "L" and "M" as shown on Diagram S.G. No. 4/65 to a point in the middle of Notwane River lettered "M" on the said Diagram S.G. No. 4/65; thence following the boundaries of Portion 5 of the Farm Forest Hill No. 9-KO through the beacons "F", "G", "H", "J", "A", "B", "C" and "D" as shown on Diagram S.G. No. 3/65; thence following the boundaries of Portion 4 of the Farm Forest Hill No. 9-KO through the beacons "C", "D", "E", "G", "H", "J", "K", "L", "M" and "N" as shown on Diagram S.G. No. 2/65; thence following the southern most boundary of Lot 1 Gaborone through the beacon "E" as shown on Diagram S.G. No. 36/63 to a beacon "I" on the western edge of the railway strip No. 16-KO as shown on Diagram No. A 942/1914 of the Farm Bonnington No. 7-KO; thence following the eastern boundary of the said Bonnington Farm No. 7-KO through the beacons "k", "j", "i", "h", "g", "f", "e", "d", "c" and "b" as shown on the said Diagram No. A 942/1914; thence continuing north-eastwards along the western boundary of the said railway strip No. 16-KO to a point on the prolongation of the northern boundary of the said Lot 1 Gaborone as shown on the said Diagram S.G. No. 36/63 by the line "B" - "A"; thence to beacon "A" of the said Diagram S.G. No. 36/63; thence north-eastwards along the eastern boundary of the said railway strip No. 16-KO through the beacons "F", "G", "H" as shown on the said Diagram No. 619/1916 to the point of commencement as will more fully appear on Plan KO-113b deposited with the Director of Surveys and Lands, Gaborone.

Francistown

(1) The Francistown Township namely the area of which the boundary commences at a point in the middle of the Tati River opposite the point lettered "X" on diagram S.G. No. 6551/55 of the farm No. 26-NQ and runs southeastwards in a straight line through the beacon lettered "E" to a point in the middle of the Inchwe River opposite the point lettered "s" on the said diagram S.G. No. 6551/55 thence northwards along the said middle of the Inchwe River to a point opposite "a" on diagram S.G. No. 2134/55 of the farm No. 33-NQ; thence eastwards to the beacon lettered "B" on the said diagram S.G. No. 2134/55; thence southwards through the beacon lettered "C" to the beacon lettered "D" on the said diagram S.G. No. 2134/55 and lettered "B" on diagram S.G. No. 6509/55 of the farm No. 34-NQ; thence eastwards to the beacon lettered "C" on the said diagram S.G. No. 6509/55; thence southwards to the beacon lettered "E" on diagram No. S.G. 9389/56 of the farm No. 32-NQ; thence south-eastwards to the beacon lettered "D" on the said diagram S.G. No. 9389/56 and lettered "A" on diagram S.G. No. 9388/56 of the farm No. 36-NQ; thence generally southwards through the beacons lettered "F" and "E" to the point in the middle of the Tati River lettered "e" on the said diagram S.G. No. 9388/56; thence generally westwards and northwards along the said middle of the Tati River to the point of commencement.

(2) Tati Township namely the area of which the boundary commences at a point in the middle of the Tati River due east of beacon lettered "E" on diagram S.G. No. 6146/51 of farm "GERALD ESTATES"; thence in a southerly direction along the middle of the Tati River to the point of intersection of the middle of the Tati River with the western boundary of the Railway Strip; thence in a southerly direction along the western boundary of the Railway Strip to a beacon common to the said Railway Strip and the said farm "GERALD ESTATES" lettered "221" on the diagram of the said Railway Strip framed by Surveyor H.S. le Sueur in April 1912 and lettered "L" on diagram No. 6146/51 of the said farm "GERALD ESTATES"; thence in a north-westerly direction along the boundary of the said farm "GERALD ESTATES" to the southern-most corner beacon of the "FRANCISTOWN AERODROME" lettered "H" on Diagram S.G. No. 8299/54 and lying on the boundary lettered "LK" on the said diagram of the said farm "GERALD ESTATES"; thence in a north-easterly direction along the south-eastern boundary of the said "FRANCISTOWN AERODROME" to beacon lettered "G" on the said diagram of the said "FRANCISTOWN AERODROME"; thence in a north-westerly direction along the north-eastern boundary of the said "FRANCISTOWN AERODROME" to a beacon lettered "F" on the said diagram of the said "FRANCISTOWN AERODROME"; thence continuing in a north-westerly direction along the north-eastern boundary of the said "FRANCISTOWN AERODROME" to a beacon marked "E" on the said diagram of the said "FRANCISTOWN AERODROME" and lying on the boundary lettered "FE" on the said diagram of the said farm "GERALD ESTATES" thence in an easterly direction along the said boundary lettered "FE" on the said diagrams of the said farm "GERALD ESTATES" to a beacon lettered "E" on the said diagram of the said farm "GERALD ESTATES"; thence in a due easterly direction to the starting point.

Selebi-Phikwe Township Commencing at a point A the co-ordinates of which are y - 269000.00 X + 7962000.00 the boundary runs in a straight line in a south-easterly direction to a point B being the trigonometrical beacon BPT 492 the co-ordinates of which are y - 275038.90 X + 7965481.00; thence in a straight line in a south-easterly direction to a point C the co-ordinates of which are y - 284400.00 X + 7970200.00; thence in a straight line in a south-easterly direction to a point D the co-ordinates of which are y - 289500.00 X + 7974400.00; thence in a straight line in a south-easterly direction to a point E being the trigonometrical beacon BPT 551 the co-ordinates of which are y - 297837.85 X + 7978605.50; thence in a straight line in a southerly direction to a point F being the trigonometrical beacon BPT 162 the co-ordinates of which are y - 296565.99 X + 7986808.45; thence in a straight line in a westerly direction to a point G being the trigonometrical beacon BPT 494 the co-ordinates of which are y - 276195.68 X + 7984711.72; thence in a straight line in a south-westerly direction to a point H being the trigonometrical beacon BPS 48 the co-ordinates of which are y - 270880.69 X + 7988190.60; thence in a straight line in a north-westerly direction to a point J the co-ordinates of which are y - 267000.00 X + 7983500.00; thence in a straight line in a northerly direction to a point K the co-ordinates of which are y - 262000.00 X + 7970000.00; thence in a straight line in a north-easterly direction to the point of commencement, as will more fully appear from Plan NQ-89/3 filed in the Department of Surveys and Lands, the co-ordinates of points A, B, C, D, E, F, G, H, J and K being expressed in English feet on the Trigonometrical System $L\alpha 27^\circ$.

Chobe The area of land lying south of the Chobe River, bounded on the west by the Batawana Tribal Territory, on the east by Zimbabwe and on the south by the latitude 19 degrees south.”.

MADE this 21st day of December, 2022.

HIS EXCELLENCY, DR. MOKGWEETSI ERIC KEABETSWE MASISI,
President.
